

Brought to you by:

EDUCATIONAL RESEARCH DESIGN SYMPOSIUM

Positively Impacting Education through Design

at the University of Oklahoma

We invite you to join us!

What:

- Symposium on Education Design Thinking. Make a difference as a design thinker and be part of making the difference in education

Who:

- Voluntarily-formed multi-disciplinary student teams (Graduate and undergraduate students of the Divisions of Architecture and Interior Design, and the graduate students of the College of Education)

When:

August 25, 2014 - 6:00 pm
Student introduction to coaches and professionals
October 17, 2014 - 7:30 am – 4:00 pm
Symposium Date

Where:

Introduction - the OU College of Architecture
Symposium - OU Campus, National Weather Center

Why:

- Cash Scholarships
- Networking with Professionals and Owners
- Resume Builder
- Great Portfolio Enhancers
- Practice Presentation Skills
- OU Faculty Competition Team Coaches
- Hone presentation skills in front of potential employers as owners and professionals
- Competition deepens design-thinking, collaborative and educational design skills
